ROSS NORTON MONTHLY SPOTLIGHT ●

Ural continues to set the standard high for our sports coordinators by offering a continuous 40 years and older league and assists with the youth track program, OST After School Program and arena football youth programming. He is passionate about the Lake Belleview community and its progress. He even started an Iron Sharpens Iron Mentoring program for some of the children in the Ross Norton Youth Club.

The kids go over character traits throughout the month and discuss various topics that they may be going through as young people. Thank you Mr. Ural for all your hard work and efforts.
