

CITY OF CLEARWATER HEALTH AND SAFETY PLAN (SPORTS TOURISM)

To assist with the continued efforts to ensure a safe and enjoyable environment for the visitors to our athletic facilities the city of Clearwater all users must submit an event Health & Safety Plans. These plans are a way to outline the course of the days' activities and what steps the user is taking to provide a safe and enjoyable experience for their participants and spectators. All plans will be reviewed by the Events and Athletics management team for approval. The City of Clearwater management team will continue to monitor CDC, federal, state, and local health and safety requirements and make changes as needed.

Rules, Requirements and Guidelines for User Organizations:

Pre-Event

- Organizations are required to submit a written event health and safety plan following CDC, federal, state, and local guidelines at least 2 weeks prior to scheduled usage (approval required).
- Venue and amenity capacities will be determined by the city of Clearwater Office of Events and Athletics management team on a facility by facility basis.
- Event Layout; organizers are required to provide an overview of the event. This should include entry/exit points for event staff, participants, and spectators, have appropriate physical distance markings where it may be necessary, and vendor locations if applicable.
- Include details for spectator management to include any specifics for seating allowances/restrictions, flow, and adherence to physical distancing.

- Share approved event health and safety plan with event staff, officials, participants, and spectators. Post plan to website.
- Organizers/vendors are encouraged to implement cashless systems, online platforms, for any onsite payments to reduce common touch points and aid with physical distancing.

During the Event

- Physical distancing guidelines should be followed at all times.
- Organizers are encouraged to utilize Tournament Ambassadors/Event Greeters to assist with answering questions or reminding participants and spectators of policies established.
- All attending are encouraged to wear face coverings as they walk through common areas and indoor spaces when physical distancing cannot be maintained.

CITY OF CLEARWATER HEALTH AND SAFETY PLAN (SPORTS TOURISM)

- Sharing of personal equipment or related items (uniforms, bats, gloves, etc.) should be avoided. If any equipment is shared, it is recommended that it is sanitized between use.
- Upon request, event organizers will need to provide attendance, rosters and/or line up cards for any team, staff, or official participating in their event.
- Anyone who becomes ill should be sent home.
- Notify Recreation Manager (Carla Scrivener) or Senior Manager (Kris Koch) of any person becoming infected with Covid-19.
- Inform anyone exposed to a person diagnosed with COVID-19 to follow CDC recommendations.
