

# Cooper's Point

## Public Meeting

Cooper's Point is an important environmental priority for the city of Clearwater.

It is located on Gulf-to-Bay Boulevard and is nestled between the waters of Cooper's Bayou and Old Tampa Bay. The creation of a new master plan is under way, and the city needs your feedback on program improvements:

- Boardwalks
- Kayak and nature trails
- Eagle's nest viewing area
- Observation towers and platforms
- Upland habitat area
- Trailhead, restrooms and expanded parking
