Member Teixeira stated that she would not vote on items involved the DCMA as she is the current president of that group.

#### Marketing:

Achieva Box Car Rally – 9<sup>th</sup> Annual. All members voting agreed to fund full amount requested of \$1,500.

City / Sea Blues Festival. All members voting agreed to fund full amount requested of \$10,000.

City / Clearwater Celebrates America. All members voting agreed to fund full amount requested of \$2,500.

Clearwater Jazz Holiday Downtown Party. All other members voting agreed to fund \$2,500 of the \$5,000 request.

Downtown Clearwater Craft Beer & Music Festival. All members voting agreed to fund \$5,000 of the \$7,500 request.

Downtown Clearwater Merchants Association (DCMA) Yearly Events. Chairman Morfopoulos suggested the easiest way to decrease funding / increase saving would be not funding supplements to Blast Friday events. Member Wright stated for the record that Member Teixeira is president of the DCMA. Further discussion included concerns that activity is primarily in 400-500 blocks of Cleveland Street and acknowledged the difficulty engaging people in the 600 block. All members voting compromised to fund \$10,000 of the \$15,000 request.

Festival Series including Blast Fridays, Miracle on Cleveland Street, Cruising at the Cap. In support of this funding, CRA Director Thompson noted that part of the DDB's mission is building up the various groups associated with downtown to support one another and succeed together. All members voting compromised to fund the full \$40,000 request.

Hooters Clearwater Superboat National Championship. All members voting agreed to fund the full \$10,000 request.

Santa & Suds 5K Fun Run. All members voting agreed to match the Achieva funding of \$1,500.

Graphic Design and Printing. Downtown Manager Anne Fogarty France reminded members this amount would cover inserts in the printed maps within the downtown information kiosks. Member Sjouwerman shared his opinion that "print is dead" and everything is available online. All members voting agreed to fund the full \$3,000 request.

Advertising. Downtown Manager Anne Fogarty France noted that \$7,337 of previous funding remains to be distributed. Locations where ads appear include Countryside Mall and the Clearwater Beach visitor centers, the Chamber Relocation Guide and the Hoots beach publication. Member Sjouwerman restated his opinion proper advertising requires a \$50 to 100K budget, and CRA Director Thompson noted that this is a traditional request "reflecting the traditional practice of traditional media for traditional tourism." All members voting compromised to fund the full \$10,000 request.

Demo/Launch Imagine Clearwater Party (Work Plan). After discussion, it was agreed to change 'Launch' to 'Fundraising', and that this funding would work to draw in other funding for marketing and supporting Imagine Clearwater as plans proceed. All members voting compromised to fund the full \$10,000.

Public Relations Firm (Work Plan) and Website Content to include List Serve and Video Production. Discussion included a review of list server operations from Member Sjouwerman, and the notation from CRA Director Thompson that funds from the CRA would be added. Business Assistance:

Holiday Lighting. All members voting agreed to fund the full \$15,000 request.

Downtown Streetscape Maintenance. All members voting agreed to fund the full \$3,200 request.

Jolley Trolley (JT) Downtown Loop. Discussion included Member Wright's notation that Clearwater is the smallest contributor to the JT, and Members Morfopoulos and Sjouwerman's concern that there are no ridership numbers available. Member Sjouwerman agreed to funding with a requirement to provide ridership numbers at the next request. All members voting agreed to fund the full \$15,951 request.

Create High Tech CEO Council (Work Plan). All members voting agreed to fund the full \$5,000.

One Stop Shop Education Campaign (Work Plan). All members voting agreed to fund the full \$5,000.

Station Square Park Events. Member Jammo stated her concern that all members had wanted funding requests the other items, but not for Station Square events. Member Cassano noted strengths of the park including no roads to block and fewer permitting issues for events. CRA Director Thompson noted that the Crest Lake neighborhood group is planning a flash mob at the park and police are addressing the homeless issues by increasing presence and installing security cameras. Member Sjouwerman suggested Friday night events to draw in the approximately 2,500 downtown employees after the work week, and even daily events to keep the focus on the location as a gathering place; his opinion was that to "do it right" would require \$100,000. Other ideas to enhance the use of the park included movie nights, salsa dancing and individual neighborhood activities. All members voting agreed to fund the full \$10,000 request.

The other fixed cost line items were not discussed.

Member Wright moved to adopt FY 2018-2019 DDB Budget minus the DCMA funding request. The motion was duly seconded and upon roll call, the vote was:

#### 14. Final Comments

Member Teixeira was encouraged by the exchange of ideas and was happy with the budget process and like the direction.

Member Wright felt it was a productive meeting and said he respected Member Sjouwerman's point of supporting no funding to promote a new direction for the board and would like to be focused on a comprehensive marketing plan for downtown. He asked when the Harborview Center would be coming down to which CRA Director Thompson stated that the city is going out to bid for demolition in September and it would take 30 days to receive bids with two weeks to review. He noted that if members haven't had a chance to visit Daniels Ikajevs of the Ring, they should plan to go. It's a totally green workspace, it's taking amazing spaces. Within 75% of all rentable spaces there will be natural light. The research that have been done on collaborative workspaces is impressive and this one will be in Downtown Clearwater.

Member Sjouwerman said that after seven years on the board, he feels it's time to move from funding individual events toward more strategic approach of developing downtown with PR and marketing. And supporting the CRA. He felt his "'zero budget' exercise was fun."

Member Jammo felt it was a productive meeting. I view the 29K of leftover funds to be restricted for marketing suggestions from the PR group.

Chairman Morfopoulos thanked everyone for their contributions of time and ideas. He realized that budget meetings can be contentious and personal, but he felt that this had been a productive meeting and had gone very well all around.

**15.** The meeting was adjourned at 7:47 p.m.
