"Nays": None.

Motion carried.

5. Post Event Report — Bobby Rossi, Chief Programming Officer/Executive Vice President of Entertainment, made a presentation to the Board regarding the Blast Friday, Miracle on Cleveland Street and Cruisin' at the Capitol events. He reported that three of the Blast Friday events were held at Osceola intersection by the Capitol Theatre and three at the Ft. Harrison intersection.

The events had three new sponsors, including Morton Plant Hospital, which was celebrating its 100<sup>th</sup> birthday. He said participation was stronger than in the past. The events received a total of

\$15,000 in cash from some of the sponsors. Many merchants participated in various events such as the children's scavenger hunt. Mr. Rossi said they encourage the sponsors to advise others about the upcoming events.

Ex-Officio Member Jonson talked about the return on investment from these events. He said there was a different vibe at the last Blast Friday because there was something going on at both ends of the street with the La Fondita de Leo anniversary on the eastern end.

Discussion ensued as to which venue is better—Ft. Harrison or Osceola. The goal was to get more of the local population to return rather than people from out of the area.

Mr. Rossi stated that name bands need to be included in order to keep the media sponsorship interest.

Members suggested that Mr. Rossi work with the Merchants' Alliance and congratulated Mr. Rossi and his staff on the professional job they do, recognizing this is a huge undertaking.

6. Funding Report for Downtown Clearwater News — Keanan Kintzel, Buzzazz Business Development Solutions, presented a funding request to the board for a newspaper that would be distributed on a quarterly basis to targeted areas. It would include information on the downtown district and upcoming events. He has surveyed the downtown businesses and nine out of ten businesses would be interested in participating in this. Discussion ensued on what type of information would be included.

Members commented that the Merchants Alliance did a similar advertisement in Creative Loafing and asked if it would have a digital edition. Mr. Kintzel advised it could. Members felt that they did not think quarterly was often enough and that this would not be something the board would want to totally fund. It was suggested Mr. Kintzel talk to the Merchants Alliance and find out how much they would be willing to contribute and then come back to the board with a request for the difference.

- 7. Economic Development Strategic Plan Update Denise Sanderson, Director of Economic Development & Housing presented the update to the strategic plan. Nicholas Lawn, Economic Development Specialist, provided data on retail space and leasable property and employment by industry type. Anne Fogarty France, Downtown Manager, presented the performance benchmarks that were requested as part of the board's goals and objectives.
- 8. Adopt Fiscal Year 2016-2017 Preliminary Budget Anne Fogarty France presented the board's preliminary budget. She advised the board that the preliminary budget is adopted in June of each fiscal year. She added that an estimate for the ad valorem property taxes was included in the budget and that the Property Appraiser would certify the property taxes on July 1. The budget will be reviewed again at the August 3 meeting.

Member Morfopoulos stated the board needs to determine the formula for computing the reserves.

Ms. Fogarty France asked if this should be put on next month's agenda and the board agreed that it be on the agenda.

Member Sjouwerman moved to adopt the FY 2016-17 Preliminary Budget. The motion was duly seconded and upon roll call, the vote was:

Ayes": Member Morfopoulos, Member Bosi, Member Thorn, and Member Sjouwerman.

"Nays": None.

Motion carried.

## 9. Chairman's Report

Chairman Morfopoulos advised members that organizations requesting funding from the board would provide presentations to the board at the July 13 meeting. Binders were placed at members seats that included all funding requests. A budget work session is planned for the August 3 meeting. He also announced upcoming events and directed viewers to ClevelandStreetDistrict.com for more information

## 10. Final Comments

Member Thorn advised the board that Politics in Pinellas will be held at Winter's Dolphin Tale Adventure on July 27 from 6 to 8 p.m. He also stated that he has created a website called CLWTransit.com that gives people information on how to get to the beach and downtown Clearwater, including information on the pilot program between the ferry and the Jolley Trolley.

Member Bosi stated he was very impressed with the Capitol Theatre's efforts to obtain sponsorships for the various events and hoped it would be self-supporting.

Ex-Officio Member Jonson congratulated Anne Fogarty France and Wendy Eckert for their efforts in having the awning in front of the Atrium Building renovated. He also talked about the need to promote the Pinellas Trail through downtown Clearwater. He also wanted to discuss the gateway monuments and would like to see that discussed in the near future. He complimented the Church of Scientology on the renovations to the two buildings on Drew Street between Osceola and Ft. Harrison, especially the landscaping and parking improvements. He also has a concern about the temporary power lines and public street lights along Drew Street. We need to identify something from the infrastructure standpoint that should be done every six months, for example the quiet zone by the railroad crossings or the entryway signs.

Chairman Morfopoulos suggested the gateway monuments be added to a future agenda.

Ms. Fogarty France stated that Audra Aja also was instrumental in having the awning replaced.

11. The meeting was adjourned at 7:19 p.m.

RE:

Minimum Reserves for Fiscal Year 2016-17

On April 6, 2016 the board approved a policy to review annually during the budget process, the percentage of available funds allocated to reserves.

The current minimum reserve level of \$71,465 was approved by the Downtown Development Board in 2013. The formula was derived from 25% of the total of the fixed payments, staff and office administration fees and \$50,000 for the boat slips contribution. The last boat slips contribution was made in January 2016 and this calculation is no longer relevant.

The beginning unassigned fund balance as of October 1, 2015 was \$89,716.

Staff suggests that the board keep the formula of 25% of the fixed payments and staff and office administration fees and add the language "but in no event less than \$70,000" as the minimum reserve level for Fiscal year 2016-17.

Using the attached preliminary budget with updated fees from the Property Appraiser and Clearwater Finance Department, 25% of fixed payments and staff & office administration fees would amount to \$68,985. Staff recommends a minimum reserve level of \$70,000 for fiscal year 2016-17.
