1. Call to Order. Chairman Morfopoulos called the meeting to order at 5:30 p.m.

2. Citizen Comments - Items Not on the Agenda. There were none.

3. First Public Millage Hearing - Resolution 02-18. In accordance with Chapter 200 of the Florida Statutes, which defines requirements for the Determination of Millage and the rules governing Truth in Millage (TRIM) compliance, the DDB must hold two public hearings to adopt a final millage rate for the new fiscal year. The adoption of this resolution to establish the millage rate and the related budget resolution are an integral part of fulfilling these requirements.

The DDB set a tentative millage rate of 0.9700 mill on August 1, 2018, which is the rate that appeared on the TRIM bill notices mailed to taxpayers in August.

Resolution 02-18 was presented to adopt the millage rate of 0.9700 mills to support the operating budget for the 2018/19 fiscal year. Resolution 02-18 was presented and read by title only.

Member Wright moved to approve Resolution 02-18. The motion was duly seconded and upon roll call, the vote was:

Ayes: Chairman Morfopoulos, Member Teixeira, Member Cassano, Member Sjouwerman, Member Wright and Member Devineni.

Nays: None.

Motion carried.

 First Public Budget Hearing - Resolution 03-18. Chairman Morfopoulos advised that as previously stated, the DDB must adhere to the Florida Statutes and the rules governing TRIM compliance. On June 6, 2018, the DDB approved a Preliminary Budget that outlined proposed estimates of revenues and expenditures for the 2018/19 fiscal year. The budget was also approved at the August 1, 2018 DDB meeting. Resolution 03-18 was presented and read by title only.

Member Wright moved to approve Resolution 03-18. The motion was duly seconded and upon roll call, the vote was:

Ayes: Chairman Morfopoulos, Member Cassano, Member Teixeira, Member Sjouwerman, Member Wright and Member Devineni.

Nays: None.

Motion carried.

5. Approve the Minutes from the August 1, 2018, Meeting.

Member Wright moved to approve the minutes from the August 1, 2018, meeting. The motion was duly seconded and upon roll call, the vote was:

Ayes: Chairman Morfopoulos, Member Wright, Member Cassano, Member Teixeira, Member Sjouwerman and Member Devineni.

Nays: None.

Motion carried.

Adopt July 2018 Financial Statement for Filing.

Member Sjouwerman moved to approve the July 2018 Financial Statement for filing. The motion was duly seconded and upon roll call, the vote was:

Ayes: Chairman Morfopoulos, Member Sjouwerman, Member Cassano, Member Teixeira, Member Wright and Member Devineni.

Nays: None.

Motion carried.

7. Homelessness Presentation - Sgt. Sergio Fidelis, Downtown Bike Team, and Gabe Parra, Community Development Manager provided updates regarding statistics and current trends on homelessness in downtown.

Questions were raised about regulations against sleeping in Station Square Park. Officer Fidelis replied that there are no regulations against this, although when ordinances against littering and open containers are violated, arrests can be made. The City and the police department are concerned with downtown safety. Trees in the park were recently trimmed to allow for a better view and cameras are being purchased and installed for surveillance. When the opportunity to commit crime is removed, the criminal homeless will move on.

When asked about the incidents of drug use among the homeless Officer Fidelis replied that the numbers are much better thanks to the previous downtown bike team, who did a great job. There is a 20% reduction in crimes from 2017.

Members asked the hours of the bike patrol. Officer Fidelis stated that there are six officers and one supervisor. Officers patrol four days per week with bikes, and two evenings (normally Tuesdays and Fridays). Patrols are Monday-Friday with weekend 'spot checks' to maintain presence.

Members complimented the officer on the response time from the patrol and asked about the timeline for the cameras. CRA Director Thompson answered that the funding is in place, but the research on wireless, placement, public record and other matters is still being completed. Member Sjouwerman reminded them to 'lock down' the cameras to avoid hacking.

A question was raised about the number of chronic homeless. Officer Fidelis stated that we have 15 'absolute homeless'. Some have money, social security income or the like, but will not go into a home. There may be mental issues, substance abuse or a lack of support system. These homeless are not criminals, they're non-violent and there's no way to help them.

Chairman Morfopoulos asked about what kind of response time they could expect from using the non-emergency number. Office Fidelis advised how to determine whether to call non-emergency line (non-violent matter including trespassing) or 9-1-1 (need for detention or other violent matters) and the benefits of having a trespass affidavit on file.

Officer Fidelis said he is grateful to be downtown, he feels the cameras will help, and he is happy to assist at any time. Chairman Morfopoulos thanked him and Mr. Parra for the informative presentation.

8. Approve Slate of Election Candidates - Chairman Paris Morfopoulos read the proposed slate aloud. He asked for addition nominations or discussion; there were none.

Member Sjouwerman moved to approve the slate of election candidates. The motion was duly seconded and upon roll call, the vote was:

Ayes: Chairman Morfopoulos, Member Cassano, Member Teixeira, Member Wright, Member Sjouwerman and Member Devineni.

Nays: None.

Motion carried.

9. Funding Request – DuPont Registry Cars & Coffee – Bucky Worboys, General Manager, opened by thanking the board for their service to the community and introducing property owner, Daniels Ikajevs. The funding request presented was for \$12,000 for an exotic car (and possibly boat) event for the Coachman Park parking lot, January 19, 2019, involving approximately 400 cars and drawing 3,000 people.

Mr. Worboys advised that they host Coffee & Cars monthly at their office location for some time now on the third Saturday of each month. Over 300 cars and more than 750 people attend.

Chairman Morfopoulos asked what percentage of the overall budget the \$12,000 funding request would represent. Mr. Worboys answered that there is no complete budget at this time and they have never worked with the City of Clearwater before. The group is researching the various costs involved and will have a better estimate soon. Mr. Ikajevs stated that the projected date had been moved from November to January to allow for this research to be as thorough as necessary.

Chairman Morfopoulos noted that several years ago the DDB had withdrawn funding for events at Coachman Park and asked about the possibility of the event re-locating to Cleveland Street with 'overflow' down the hill to the Coachman Park parking lot if necessary. The board expressed concern that if centralized in the Coachman Park parking lot, this event would not properly highlight or benefit the Cleveland Street community. Mr. Worboys stated that one of his questions for the board was to be the opportunity to block the street "from, say, Starbucks to the Cap", at which point Chairman Morfopoulos opened the matter to discussion.

Mr. Worboys added that exotic cars from dealerships and private collectors would be a large part of the offering. Members were excited about having DuPont in Downtown Clearwater and liked the multi-layering of the event with cars and boats. Attendees would bring along their significant others, who in turn would draw friends and other car or boat-lovers and bring a wider demographic to the area.

Member Wright had three questions/concerns: (1) What are the sales opportunities of the event? Mr. Worboys stated that DuPont allows signage to sell a vehicle, but dealerships are not allowed to post MSRP. (2) Does duPont benefit from the sales? Mr. Worboys stated that they have agreements with the dealerships, but do not benefit monetarily from individual sales. (3) This seems like a very high-cost 'big deal' and it's they're first shot here. Mr. Worboys assured the board that they are very experienced in this sort of event, and that they are very aware of the marketing, security, etc. that it requires. Mr. Ikajevs reminded the board that this event would be marketed to the 'very affluent' as well as be a draw to the 'regular visitors'.

Member Sjouwerman identified himself as "the Tesla guy" with a mission to change the "one-off" type of event for which the DDB regularly saw funding requests. He wants to see an investment in marketing the downtown area instead and looks strictly at ROI, the DDB having spent \$1M of these events in four years. The metrics applied to \$12,000 request for 3,000-person event reflect \$4/visitor. Mr. Worboys stated that they projected 3,000 plus attendees, and he would like to look at this as an annual or biannual opportunity to bring many people downtown. Member Sjouwerman asked for details on the PR and visibility to which Mr. Ikajevs responded the event would be marketed at various costs to attendees of various int and income levels.

Member Devineni asked about an online presence for the event. Mr. Worboys responded that duPont has the largest automotive social platform in the world, approximately 700,000 followers on Instagram, and over 7M followers on Facebook.

Live streaming over those platforms from the event would be a terrific opportunity for promotion of both the event and the downtown area, with the use of tags and hashtags.

Member Teixeira asked for first right of refusal for the downtown merchants to be vendors.

CRA Director Thompson stated that the first step is the city regarding block closure and other regulations, and perhaps the group could return after meeting with the various city departments with additional information. Ms. Thompson also reminded the board of meetings created between brewery owners and downtown business owners at the craft beer festival which grew connections and leveraged attendance to those merchants.

Member Wright asked if there would be publicity in the duPont publications, but Mr. Worboys said that really wasn't possible with the international distribution of the magazine.

Chairman Morfopoulos suggested a motion to approve half the request and return when the group has more information.

Member Wright moved to fund the duPont Registry Cars & Coffee event at \$12,000 with funds from the Future Initiatives line item and the motion was duly seconded and upon roll call, the vote was: concept and likes the different crowd.

Ayes: Member Wright, Member Teixeira.

Nays: Chairman Morfopoulos, Member Cassano, Member Sjouwerman and Member Devineni.

Motion failed.

Discussion ensued.

Member Sjouwerman moved to approve \$9,000 to fund the duPont Registry Cars & Coffee event from Future Initiatives line item and pending the approval from the City's Parks & Recreation Department and a refined concept. The motion was duly seconded and upon roll call, the vote was:

Ayes: Chairman Morfopoulos, Member Cassano, Member Teixeira, Member Sjouwerman Member Wright and Member Devineni.

Nays: None.

Motion carried.

10. Work Plan Update – In regard to Task 3.3 Review and Provide Recommendations to Imagine Clearwater, Member Devineni identified several areas that required further attention in the Imagine Clearwater scheme: pedestrian and bicycle trail access, addition of a dog park, addition of a MyClearwater sculpture program, addition of an observation deck or tower, increased amphitheater seating, murals and green art.

His recommendation was that downtown Clearwater needs its own downtown identity. There are great concepts and companies that help to effect that change.

Chairman Morfopoulos thanked Member Devineni for the time and thought he'd put into his presentation and reminded the board that each member has an action item to support and recommended that the board support Member Devineni in his efforts.

Member Teixeira asked about how to communicate with Member Sjouwerman on their shared work plan items. Board Administrator Fogarty France advised that she would be the contact person for communications and would forward communications to members.

11. CRA Updates - Amanda Thompson, CRA Director thanked Member Devineni for his thoughtful presentation.

She noted the October 4 Imagine Clearwater presentation to the City Council and stated it included the plan most closely related to the community's choices.

The focus groups meeting for current restaurant tenants, potential tenants and property owners were scheduled for September 6, 2018. The goal of the incentive plan is to increase the number of downtown restaurants with evening and weekend hours.

The DDB/CRA Interlocal Agreement was recently approved.

Mural artists were approved. Please view the back of Hispania Tapas Bar as they've had a mural painted on their own with no grant money.

The Florida Center for Creative Photography will be taking over Second Century Studios through October 11.

The CRA is working with the downtown merchants on planning a Holiday Extravaganza that runs from November and December with a "12 Days of Christmas" promotion and includes every business owner.

12. Chairman's Report - Chairman Paris Morfopoulos

Chairman Morfopoulos requested a motion from Member Devineni regarding his primary recommendation for the work plan item on Imagine Clearwater recommendations

Member Devineni moved to recommend to the City Council that a five (5) story observation deck be included in the Civic Gateway area of the Imagine Clearwater project. The motion was duly seconded and upon roll call, the vote was:

Ayes: Chairman Morfopoulos, Member Teixeira, Member Cassano, Member Wright and Member Devineni.

Nays: None.

Abstained: Member Sjouwerman.

Motion carried.

Chairman Morfopoulos reminded the board about the second public meeting Monday, September 10. He also provided information on the upcoming event dates.

#### 13. Final Comments

Member Cassano stated he likes what's happening, he feels this is a new era of creativity and liked Member Devineni's suggestions – especially the dog park.

Member Teixeira feels a little overwhelmed, but that's a great problem. She's seeing more people in the bar who haven't been to downtown in years and finds that very encouraging.

Member Wright asked about a date for destruction of the Harborview Center and Ms. Thompson stated that he'd be the first to know.

Member Sjouwerman wished all a good night.

Member Devineni had no further comments.

Chairman Morfopoulos thanked everyone for their attendance.

14. The meeting was adjourned at 7:33 p.m.
